

2020 AVIATOR

## ALWAYS BEGIN ON A BRIGHT NOTE

Whether your day ahead is filled with places to be, or as open as a big blue sky, the all-new 2020 Lincoln Aviator starts it with a warm embrace. As you approach, Lincoln Dynamic Signature Lighting<sup>1</sup> flows beneath the headlamps, while the illuminated<sup>1</sup> Lincoln Star on the grille glows from within. Illuminated welcome mats and backlit door handles extend an invitation, while the Dynamic Lower Entry feature of the Air Glide Suspension<sup>1</sup> eases access for all. Every drive starts with beautiful chimes orchestrated by a world-renowned symphony as the LCD screen animation takes you soaring through blue skies. Elevate life's journey in the all-new Aviator.

<sup>1</sup>Available feature.

2020 AVIATOR

Screen display varies by market.

#### IMMERSE YOURSELF IN ELEGANCE

Imagine a place specially designed to evoke a sense of serenity, a sanctuary where you can relax and unwind after a challenging day. The 3-row Aviator cabin is carefully crafted to be that place. Aviator recalls your saved Personal Profile settings for the driver's seat and so much more. Ease into the premium-grade leather-trimmed seats and relax courtesy of the available 30-way Perfect Position Seats with Active Motion® massage functionality, and heated and ventilated settings.

#### TRANSPORT UP TO 7 PASSENGERS

From short jaunts around town to epic getaways, the 3 spacious rows of seating inside Aviator make it easy to travel with family and friends. Seat up to 7 when you combine the 2nd-row bench seat with the standard 3rd-row PowerFold® bench seat. Or seat up to 6 with the heated<sup>1</sup> and ventilated<sup>1</sup> 2nd-row captain's chairs,<sup>1</sup> which pair with your choice of a full center console,<sup>1</sup> or a step-over mini console<sup>1</sup> with convenient pass-through to the 3rd row.

Helping you maintain harmony on long trips, Aviator offers up to 6 smart-charging USB ports,<sup>1</sup> a 110V/150W AC power outlet, and two 12V powerpoints to keep everyone's devices charged up. An available panoramic Vista Roof® and comfortable amounts of shoulder room bring even more joy.

U.S. model shown.

<sup>1</sup>Available feature.

Screen displays vary by market.

#### ADAPT WITH REMARKABLE EASE

You'll enjoy effortless loading and unloading of people, pets and so much more using the power tip-and-slide feature on the 2nd-row outboard seats. To access the spacious cargo room<sup>1</sup> behind the 3rd row, simply kick your foot beneath the available hands-free liftgate. You can also press the PowerFold<sup>®</sup> 3rd-row seat buttons in the rear cargo area to quickly expand your cargo-carrying possibilities.

<sup>1</sup>Cargo and load capacity limited by weight and weight distribution.

Screen display varies by market.

Screen display varies by market.

#### ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you the Revel® Audio System<sup>1</sup> experience. Choose your level of immersion with personalized listening modes like “Stereo,” “Audience” and “On Stage.” In every mode, outstanding, multi-dimensional sound is delivered courtesy of the 14 carefully placed speakers, advanced cabin correction tuning, QuantumLogic® Surround sound technology, and Revel Waveguides. You won’t just hear the level of precision and musical accuracy – you’ll feel it.

#### CONVENIENCE AT A GLANCE

The customizable head-up display<sup>1,2</sup> automatically adjusts the prominence of information as priorities change, and it’s easily seen in various light conditions. Tuck your phone into the wireless charging pad<sup>1,3</sup> inside the center console.

<sup>1</sup>Available feature. <sup>2</sup>Don’t drive while distracted. See owner’s manual for details and system limitations. <sup>3</sup>Qi wireless charging may not be compatible with all mobile phones.

QuantumLogic, Revel and the Revel logo are trademarks of HARMAN International Industries, registered in the United States and other countries.

2020 AVIATOR

# 400<sub>HP<sup>1</sup></sub> 415<sub>LB.-FT. TORQUE<sup>1</sup></sub>

## TURBOCHARGE YOUR TRAVELS

Treat yourself to one of the most powerful and compelling engines in the Lincoln lineup: the Twin-Turbocharged 3.0-liter V6 that gives Aviator 400 horsepower and 415 lb.-ft. of torque.<sup>1</sup> This gasoline direct-injected engine is driven by your choice of rear-wheel drive or available Intelligent all-wheel drive. And it's mated to the 10-speed SelectShift<sup>®</sup> automatic transmission, which can adapt in real time, engaging the right gear at the right time to deliver the performance you seek.

<sup>1</sup>Horsepower and torque ratings based on premium fuel per SAE J1349<sup>®</sup> standard. Your results may vary.

2020 AVIATOR

#### THRIVE WITH LINCOLN DRIVE MODES

Aviator puts the power to adapt right at your fingertips while on the fly. Simply turn the knob to select a Lincoln Drive Mode, and the system adjusts suspension settings, ride height, steering, shift points and more to help provide a remarkable driving experience.

#### ILLUMINATE A NEW PATH

See things in a whole new light with the groundbreaking technology in the Illumination Package. Adaptive Pixel LED Headlamps use Speed Dependent Lighting to provide additional light, and spread it more widely at slower speeds to emphasize the area around and directly in front of the vehicle. Their Adaptive Dynamic Bending can even illuminate an upcoming curve before you steer into it. This enlightening package also includes the illuminated Lincoln Star on the grille.

#### GLIDE WITH EFFORTLESS GRACE

Imagine if every stretch of road could feel freshly paved. In Aviator, it can, thanks to the advanced technologies in the Dynamic Handling Package. Adaptive Steering helps optimize steering response at all speeds. Adaptive Suspension with Road Preview helps Aviator detect upcoming road irregularities, then carry you comfortably over them. Air Glide Suspension optimizes the vehicle's ride height and spring rates as your load and operating conditions change. With the Dynamic Lower Entry feature activated, the vehicle appears to "kneel" as you approach, graciously lowering by 50 mm to ease your entry. In Deep Conditions mode, it raises 30 mm above normal ride height to improve ground clearance. In Excite mode, it lowers to increase aerodynamics. Quite simply, this system helps Aviator deliver the most gliding ride experience of any vehicle in the Lincoln lineup.

LINCOLN  
SYNC® 3

#### YOUR VOICE IS ITS COMMAND

SYNC 3 voice-activated technology<sup>1</sup> connects your tech with your Aviator, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 10.1" touchscreen. SYNC 3 AppLink<sup>®2</sup> gives you voice control of compatible mobile apps, too – including the Lincoln Way™ App<sup>3</sup> specially designed for Lincoln owners. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay<sup>®4</sup> (shown) for your iPhone,<sup>®</sup> or Android Auto<sup>™4</sup> for your Android<sup>™</sup> smartphone.

#### NAVIGATION STATION

Locating a point of interest or simply receiving turn-by-turn directions begins with just the press of a button. Then, the Voice-Activated Touchscreen Navigation System listens to help direct you to wherever you want to go. Plus, the pinch-to-zoom touchscreen lets you get an up-close perspective.

<sup>1</sup>Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. <sup>2</sup>Certain restrictions, 3rd-party terms and data rates may apply. See your Lincoln Dealer for details. Commands may vary by phone and AppLink software. <sup>3</sup>Available via download and compatible with select smartphone platforms. Learn more at [lincolnway.com](http://lincolnway.com). Message and data rates may apply. <sup>4</sup>Requires device with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

Android and Android Auto are trademarks of Google Inc. Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.
