

LINCOLN AVIATOR®

2023

Embrace the path
before you.

The warm welcome of the 2023 Lincoln Aviator SUV goes beyond what you see. It's the exhilarating feeling you get as you approach. The available Air Glide Suspension with Dynamic Lower Entry kneels to greet you. The available hands-free liftgate opens at your convenience. And the Light Touch Door Handles allow you to enter with ease. Brighten your journey with the help of the available Illumination Package and its Adaptive Pixel LED Headlamps. They use speed-dependent lighting for additional light, spreading it more widely at slower speeds to highlight the area around and in front of your vehicle. This package also adds the illuminated Lincoln Star to the grille, for an added touch of style.

YOURS TO BEHOLD

Vehicle imagery throughout this brochure may be computer-generated and may include available equipment and Lincoln Accessories.

2023 LINCOLN AVIATOR®

TWIN-TURBOCHARGED 3.0-LITER V6

The standard twin-turbocharged engine on the Lincoln Aviator SUV delivers ample power to the driver while also offering available Intelligent all-wheel drive (AWD). The standard 10-speed SelectShift® automatic transmission is specifically designed to provide the right gear at the right time, giving you a refined drive that's smooth, sporty and sophisticated.

400
HORSEPOWER^{1,2}

415
LB.-FT. OF TORQUE^{1,2}

**A thrilling union
of power and poise.**

¹Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. ²Horsepower and torque are independent attributes and may not be achieved simultaneously.

2023 LINCOLN AVIATOR®

THRIVE WITH LINCOLN DRIVE MODES

The Lincoln Aviator SUV puts the power to adapt your drive right at your fingertips. Simply turn the knob to select a Lincoln Drive Mode, and the system adjusts suspension, ride height, steering, shift points and more, to help provide you with a remarkable driving experience.

NORMAL
Effortless and Balanced

DEEP CONDITIONS
Deep Snow or Mud Assist

EXCITE
Responsive and Engaging

SLIPPERY
Slick, Icy or Loose Surfaces

CONSERVE
Efficient Driving

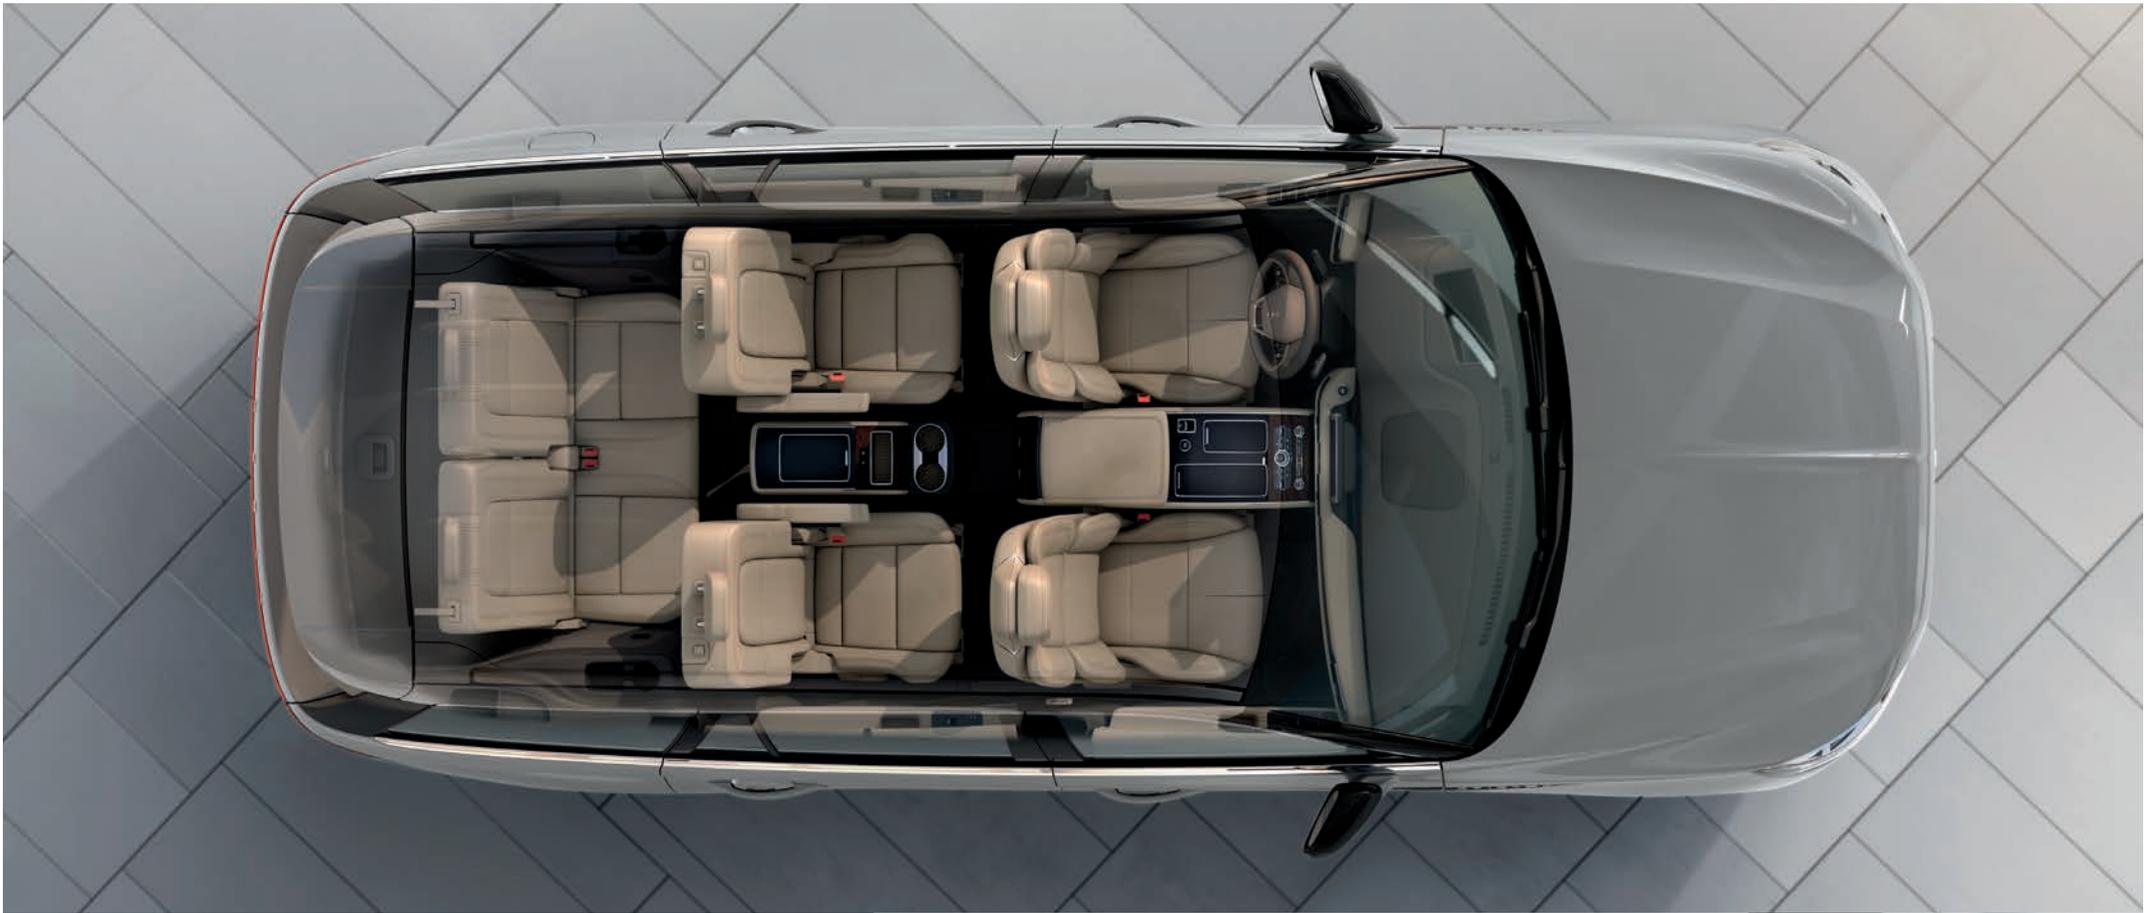

The convergence of comfort and convenience.

Think of the Lincoln Aviator SUV as your home away from home. It's an escape even before you decide to put it in Drive. Step inside and experience firsthand the indulgent craftsmanship of every detail. The available power, panoramic Vista Roof® with power sunshade unveils the world to your passengers, and allows plenty of light into the cabin. From the available 30-way power-adjustable front seats with massage functionality, to the available Quad-Zone Climate Control, you can tailor your trip whether you're a passenger or the driver.

A GRAND PERSPECTIVE

SPACE FOR THE SANCTUARY YOU SEEK

The 3 spacious rows of seating inside the Lincoln Aviator SUV offer a relaxing respite to you and your companions. You can seat up to 7 people when you combine the available 2nd-row bench seat with the standard 3rd-row PowerFold® bench seat. Or seat up to 6 with the available heated and ventilated 2nd-row captain's chairs, which pair with your choice of an available full center console, or a step-over mini console with convenient pass-through to the 3rd row.

You'll enjoy effortless loading and unloading thanks to the power tip-and-slide feature on the 2nd-row outboard seats. To access the cargo room behind the 3rd row, simply kick your foot beneath the available hands-free liftgate. You can also press the PowerFold 3rd-row seat buttons in the rear cargo area to quickly expand your cargo-carrying possibilities.¹

¹Cargo and load capacity limited by weight and weight distribution.

Screen display varies by market.

Screen display varies by market.

CONVENIENCE AT A GLANCE

The stunning 10.1" touchscreen puts full control of your paired smartphone right at your fingertips. The available, customizable Head-Up Display¹ automatically adjusts the prominence of information as priorities change, and it's easily seen in various light conditions. Plus, you can simply tuck your phone into the available wireless charging pad² inside the center console for easy, cable-free charging.

¹Don't drive while distracted. See Owner's Manual for details and system limitations. ²Qi wireless charging may not be compatible with all mobile phones.

CONNECT AND COMMAND

SYNC 3 voice-activated technology¹ connects your tech with your Lincoln Aviator SUV, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 10.1" touchscreen. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay^{®2} for your iPhone.[®] It is also compatible with Android Auto.^{™2}

NAVIGATION STATION

Locating a point of interest or simply receiving turn-by-turn directions begins with just the press of a button. Then, the available Voice-Activated Touchscreen Navigation System listens to help direct you to wherever you want to go. Plus, the pinch-to-zoom touchscreen lets you get an up-close perspective for a better view of the digital road.

ENGAGE WITH DYNAMIC AUDIO

The available Revel[®] and Revel Ultima 3D Audio Systems deliver finely crafted sound in full. With personalized listening modes like "Stereo," "Audience" and "On Stage," you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 14 carefully placed speakers in the Revel Audio System and 28 in the Revel Ultima 3D Audio System. Include advanced cabin correction tuning, QuantumLogic[®] Surround 3D sound technology and Revel Waveguides, and the level of precision isn't just heard. It's felt.

Screen display varies by market.

¹Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Functionality varies by market. ²Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

Android Auto is a trademark of Google LLC. Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. QuantumLogic, Revel and the Revel logo are trademarks of HARMAN International Industries, registered in the United States and other countries.

Make every journey
a confident one.

STANDARD LINCOLN CO-PILOT360™ 1.5

There to help you stay on the course ahead or to take the guesswork out of what's behind, the Lincoln Aviator SUV driver-assistance features¹ can assist you in some tough situations. Take control of your travels with help from:

Auto High-Beam Headlamps

Blind Spot Information System

Cross-Traffic Alert with Braking

Lane-Keeping System: includes Lane-Keeping Aid, Lane-Keeping Alert and Driver Alert System

Pre-Collision Assist[®] with Automatic Emergency Braking (AEB): includes Pedestrian Detection, Forward Collision Warning and Dynamic Brake Support

Rear Parking Sensors

Rear View Camera

AVAILABLE LINCOLN CO-PILOT360 1.5 PLUS

Assistance is a stronghold. So a little extra help can go a long way. These features can enhance your drive in order to help you feel confident and aware.¹

Active Park Assist 2.0

Adaptive Cruise Control with Stop-and-Go and Lane Centering Assist

Evasive Steering Assist

Front/Side/Rear Parking Sensors

Reverse Brake Assist

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations.

GLIDE WITH EFFORTLESS GRACE

It's as though every stretch of road feels freshly paved with the advanced technologies in the available Dynamic Handling Package. The Air Glide Suspension optimizes the vehicle's ride height and spring rates as your load and operating conditions change. With the Dynamic Lower Entry feature, the vehicle appears to "kneel" as you approach, graciously lowering by 50 mm to ease your entry. In Deep Conditions drive mode, it raises 30 mm above normal ride height to improve ground clearance. In Excite drive mode, it lowers to increase aerodynamics. Quite simply, this system helps the Lincoln Aviator SUV deliver a smooth riding experience under just about any condition.

ENGINE

Twin-Turbocharged 3.0-liter V6

with Auto Start-Stop Technology
400 hp @ 5,500 rpm^{1,2}
415 lb.-ft. of torque @ 3,000 rpm^{1,2}
10-speed SelectShift[®] automatic transmission

AN IMPORTANT MESSAGE REGARDING AVAILABILITY

As you may be aware, this is a time of high demand for new vehicles – and low inventory. Our industry is experiencing global supply-chain constraints. Unfortunately, the high demand combined with these supply-chain constraints is limiting our ability to build enough Lincoln vehicles. Everyone at Lincoln is working diligently – and creatively – to meet these challenges. What this means for you is that we may have limited or no availability of certain vehicles, models, and features. The vehicles produced may vary slightly from their description here. Please contact your local Lincoln Retailer for updates and assistance.

LINCOLN GENUINE PARTS & SERVICE

Keep your vehicle in optimum operating condition with scheduled maintenance service. Ford and Lincoln Dealership technicians know your vehicle inside and out. They are continuously trained by Ford Motor Company and the parts they use are specifically designed for your vehicle.

DELIVERING ON THE COMMITMENT

Lincoln is committed to providing you with the best ownership experience. We have ensured that your vehicle underwent an exhaustive inspection process in order to fulfill our promise to you of a high performance vehicle. Because we took the time to guarantee that your driving needs are met, all you have to do is sit back and enjoy the classic Lincoln elegance, features and benefits which truly make Lincoln an award-winning luxury vehicle.

¹Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary. ²Horsepower and torque are independent attributes and may not be achieved simultaneously. ³With Vista Roof[®] height is 1,764 mm, 1st-row max. head room is 1,021 mm, and 2nd-row head room is 975 mm. ⁴When properly equipped with available Class IV Trailer Tow Package. Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers.
