

2020 NAVIGATOR

ALWAYS BEGIN ON A BRIGHT NOTE

Whatever adventures the day holds for you and your family, the 2020 Lincoln Navigator makes sure they start with a warm embrace. As you approach, Navigator awakens with a graceful greeting. Dynamic signature lighting flows outward beneath the headlamps, while the available illuminated Lincoln Star on the grille glows from within. Power-deployable running boards, backlit door handles and luminous welcome mats invite everyone inside. The front door-sill scuff plates and first two rows of safety belt buckles also feature available illumination, and a field of stars dances across your instrument cluster. Celebrate all of your travels together in Navigator.

Screen display varies by market.

REVITALIZE IN YOUR SANCTUARY

Every aspect of the Navigator experience is designed with your serenity in mind. When entering, Navigator recalls your saved Personal Profile settings for the driver's seat and so much more. Your passenger can also enjoy available 1st-row passenger-seat memory, as you both relax into the available 30-way Perfect Position Seats, plus Active Motion® massage functionality, and heated and ventilated settings. An available 360-Degree Camera lets you see a bird's-eye view of your vehicle and its surroundings on the high-definition 10" color screen. A convenient wireless charging pad¹ ensures that you'll always be powered up and ready when needed.

¹Available feature. Qi wireless charging may not be compatible with all mobile phones.

THE TRAVELER'S OASIS

From epic road trips to everyday errands, your family deserves the luxurious comfort of Navigator. Seat up to 7 with the heated 2nd-row PowerFold® captain's chairs, and your choice of a pass-through to the 3rd row or an available center console.

Treat your passengers to the available Lincoln Play™ Rear-Seat Entertainment System featuring 2 vibrant 10" screens. Those in the 3rd row can enjoy power-reclining seat backs. Plus, everyone can take advantage of 6 USB ports, four 12V powerpoints and a 110V power outlet for recharging all sorts of devices.

Screen display varies by market.

CARE FOR YOUR CREW

Relaxing is easy courtesy of the spacious 2nd-row leg room, plus an available power panoramic Vista Roof® that offers skyward views for all. To seat up to 8, select the available 2nd-row PowerFold® bench seat, which also features heated outboard positions and a sliding middle seat.

TRAVEL WITH EASE

Simply kick your foot beneath the hands-free liftgate to access the spacious cargo area. Then, press the PowerFold 2nd- and 3rd-row seat buttons to create a flat load floor in a flash. The available Tiered Cargo Area Management System can be configured 4 ways: as a partition, a shelf or a flat load surface, or positioned to help keep items securely inside as the liftgate opens.¹

¹Cargo and load capacity limited by weight and weight distribution.

ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you the Revel® and available Revel Ultima Audio Systems. You won't just hear their expertly engineered level of precision and musical accuracy – you'll feel it. With personalized listening modes, it can seem like you're in the "Audience" or up "On Stage." The outstanding, multi-dimensional sound is courtesy of advanced cabin correction tuning, QuantumLogic® Surround sound technology, and Revel Waveguides.

JOURNEY WITH CONFIDENCE

Our extensive collection of standard and available driver-assist technologies¹ utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2020 Lincoln Navigator.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

STANDARD LINCOLN CO-PILOT360™

ENHANCED ACTIVE PARK ASSIST

FORWARD AND REVERSE SENSING SYSTEMS

RAIN-SENSING WINDSHIELD WIPERS

Navigator Reserve adds:

360-DEGREE CAMERA WITH FRONT CAMERA WASHER

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

GLIDE EFFORTLESSLY

Imagine yourself calmly in command – at peace with your surroundings. The standard Adaptive Suspension helps take you there smoothly by isolating the vehicle from road imperfections, while enhanced sound-absorbing materials and Active Noise Control help keep road noise at bay. The result is a relaxing atmosphere conducive to quiet contemplation or pleasant conversation.

BOLD PERFORMER

Navigator also reinforces your calm confidence with 450 horsepower¹ and 510 lb.-ft. of torque¹ produced by its Twin-Turbocharged 3.5-liter V6 engine. The 3.5-liter is mated to a 10-speed SelectShift[®] automatic transmission designed to adapt in real-time, engaging the right gear at the right time to deliver the performance you seek.

¹Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary.

2020 NAVIGATOR

THRIVE WITH LINCOLN DRIVE MODES

Navigator puts the power to adapt to changing weather and more – right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode. The system adjusts automatically according to the mode you've selected – traction control, steering and pedal response, suspension and available 4-wheel drive (4WD) settings, even the sound of the engine. From Normal to available Slow Climb,¹ beautiful animations on the digital instrument cluster help you make your selection, and Navigator takes care of the rest.

¹When equipped with Heavy-Duty Trailer Tow Package and 4WD.

ENHANCE THE WAYS YOU MAKE MEMORIES

With a tow rating of 3,946 kg,¹ Navigator makes it easy to enrich your adventures with family and friends. You'll also benefit from our Smart Trailer Tow Connector and trailer sway control² technologies. Plus, once programmed,³ available Pro Trailer Backup Assist™ lets you rotate a control knob in the direction you want your trailer to go, as the system steers the vehicle to turn the trailer for you.⁴ The available electronic traction assist helps with stability in turns, in addition to situations like boat launch ramps. It can shift torque to the wheel with the greatest traction, to help keep you moving.

¹Max. towing of 3,946 kg on Navigator RWD with Heavy-Duty Trailer Tow Package (not shown); max. towing of 3,810 kg on Navigator L RWD with Heavy-Duty Trailer Tow Package (shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ³Please consult your owner's manual or Pro Trailer Backup Assist Measurement Card for information on setting up your trailer. ⁴Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
